- Item returned after the standard return window but within 60 days of delivery: **85% refund**
- Item returned with missing accessories or packaging: **refund minus replacement cost of missing items**

No restocking fee is charged for defective items or items shipped in error.

4.2 Manufacturer Warranty Claims

For items beyond the ShopSmart return window but within the manufacturer's warranty period, customers should contact the manufacturer directly. ShopSmart can assist with providing proof of purchase documentation.

4.3 Extended Warranty (ShopSmart Protect)

Customers who purchased ShopSmart Protect extended warranty coverage receive:

- Extended coverage for 1 or 2 additional years beyond manufacturer warranty
- Accidental damage protection (drops, spills, cracked screens)

6. Exchanges

ShopSmart offers direct exchanges for the same item in a different color, size, or configuration. Exchanges follow the same return window as returns. If the replacement item costs more, the customer pays the difference. If it costs less, the difference is refunded.

Exchanges are subject to product availability. If the desired replacement is out of stock, the customer may choose to wait for restocking or receive a full refund.

7. International Orders

Returns for international orders must be shipped to our domestic return center. The customer is responsible for:

• Return shipping costs

• Any customs duties or import taxes on the return shipment

International returns are processed within 10–15 business days of receipt. Refunds are issued in the original currency of purchase.

8. Fraud Prevention

ShopSmart reserves the right to limit or refuse returns from customers who abuse the return policy. Indicators of return abuse include:

- Excessive return rate (more than 40% of orders returned over a 12-month period)
- Patterns of returning used items as unopened
- Serial number mismatches
- Returns of counterfeit or substituted items

Accounts flagged for return abuse may be suspended pending review.
